

Date:

The First Opium War*

Again, it's the end of the school year—let's do things a little different.

Do a few searches on you computer for the following key terms:

--*Opium Wars China 1800s*

--*Opium Dens China 1800s*

Print up some images and paste them in below, as well as on the back..

There is a famous picture taken in China called *The Opium Problem*. See if you can find it. Paste that in below as well.

All the way at the bottom of this page, or on the back of this one, answer the following question: Why were the British willing to go to war to push for the opium trade? What do you think about that?
